

STEVE ARTAVIA

DESIGNER | UI/UX | WEB | GRAPHIC

ABOUT ME

I'm a creative and versatile Designer specialized in Web Design, with a passion for building beautiful, functional, and user-friendly digital experiences. With a background in Graphic Design, UI/UX Design, and Full-Stack Web Development. I've designed and developed projects that combine strong visuals with performance and usability. I'm a hard worker who believes in excellence, continuous learning, and delivering results that make an impact. Always open to new challenges and opportunities to contribute and grow.
